Petersburg, Va., May 6.—At the last meeting of the Common Council a resolution offered by Mr. Patterson to take the sense of the Council and the Board of Aldermen on the question of the issue of bonds to the amount of \$125,000 for public improvements, to be referred to the people for approval or disapproval, was laid over for thirty days, and may come up for consideration at to-morrow night's meeting of the Council, and the sense of the body taken on it.

The present tax and appropriations ordinance for the ensuing fiscal year, beginning July 1, will be presented to the Council to-morrow night and laid over for thirty days, or until the June meeting. There will be no change in the rate of taxation, which is \$1.10 on the \$100 of value.

There may be a report from the committee on the subject of conditions in the food district of the city and the improvements needed to prevent damage to property in the future from freshets. The City Engineer has made an exhaustive report on the subject, with suggestions as to prevention of damage in the future.

**A Historical Meeting.**  
Petersburg Chapter, United Daughters of the Confederacy, held a historical meeting to-day, with the president, Mrs. R. T. Meade, presiding, and Mrs. J. J. Nelms as secretary. Two very interesting sketches of actual occurrences during the war were read by Miss Ida Lowndes, the subjects being "An Incident of a Sword" and "Sally 'Dixie' as Her Home Burned." The chapter enrolled two new members and made a contribution to R. E. Lee Chapter, of Columbus, Ohio, to aid in decorating the graves of Confederate soldiers buried there, on June 2.

**Death in Ettrick.**  
Mrs. Sallie Elizabeth Tucker, widow of William A. Tucker, died Sunday afternoon at her home in Ettrick, after an illness of three weeks. She was thirty years old, and besides her parents, is survived by several small children and two sisters, Mrs. Estelle Walker and Miss Emma Dyer, of Ettrick.

## A Public Avowal From Local Woman

Mrs. J. M. Gordon Received So Much Benefit That She Is Anxious to Tell of It.

Mrs. J. M. Gordon, of No. 1916 Jefferson Park, city, made the following statement recently in connection with "Tona Vita," the medicine that is now being introduced in Richmond by specialists at the Polk Miller Drug Company, No. 834 East Main Street. She said: "I was nervous for some time and extremely so for about three months. Had stomach trouble and was troubled with insomnia. I took two bottles of this tonic and feel that I am cured of nervousness, and am very much better in other ways. I consider it a first-class remedy, and have recommended it to several friends who are afflicted with ailments similar to my own."

The specialists who are here introducing "Tona Vita" are giving demonstrations of what the preparation will do. All day long they meet callers at the Polk Miller Drug Company from 9 A. M. to 8 P. M., and try to produce a noticeable improvement in all cases of nervous debility within five minutes. The people who take the medicine are the judges. There is no charge for this demonstration.

"Tona Vita" is breaking all records in Richmond," said one of these specialists this morning. "The people here are rapidly awakening to a full appreciation of what the preparation will do for them, and the sale is large," continued he. "We are instructed by our company to take no money for the tonic unless the medicine proves satisfactory. Thousands upon thousands in this and other large cities are afflicted with nervous debility caused by the strain of metropolitan life. The entire system becomes run down in such cases and nervousness, stomach trouble, headache, backache, dizziness and loss of vitality result. 'Tona Vita' will work wonders in such cases in a remarkably short time. If it doesn't we want nothing other than the time it takes to go and get the medicine."

While we are meeting callers each day, and hundreds of debilitated people are regaining their health through our medicine, there are thousands more whom we want to reach before we leave. If all the men and women who are struggling along depressed in mind and body by nervous debility, unable to get any real enjoyment out of living, would only take the trouble and time to come in and talk to us, we would bring a tremendous amount of happiness to the residents of this city. There is little real pleasure in life for an individual who feels continually worn out. Positively the very first dose of our tonic benefits a man or woman in this condition.

and Baptist Church, preached to crowded congregations yesterday, and many persons were unable to gain admission to the church at night. There have been many conversions, mostly of adults, and last night there were thirteen admissions to membership of the church. To-night Mr. Garland preached to husbands and wives, fathers and mothers.

There also have been many conversions and additions to the church as the result of the interesting revival at First Street M. E. Church, conducted by the pastor, the Rev. W. H. Atwill.

**Off to the Reunion.**  
Some twenty or more delegates from A. P. Hill Camp left last night at 11 o'clock, via the Seaboard Air Line Railway, for Macon, Ga., to attend the great Confederate reunion. They occupied a special Pullman coach, and were in the care of Agent Goulden, of this city.

**Brief Notes.**  
Since the Rev. A. R. Love became pastor of the Second Baptist Church five years ago the congregation has almost doubled, and the work of the church shows a corresponding advance. Three men—Paul Livingood, D. H. Harris and Gibson Manuel—are under arrest and held in this city as deserters from the United States Navy.

## ANNEXATION SUIT GIVEN SETBACK

Entire Proceedings Quashed Without Prejudice by Judge Gordon.

[Special to The Times-Dispatch.]  
Alexandria, Va., May 6.—Alexandria's annexation suit this afternoon was given a big setback when Judge B. T. Gordon, of Nelson county, who presided, decided that the entire proceedings should be quashed without prejudice, on the ground that the papers served in the suit were served in an irregular manner, and that they should have been served on the supervisors of the two counties as a board or corporate body, and not as individuals. This means that the city will have to readvertise and reserve the papers on the supervisors of both counties, and it means further that it may be six months before the proceedings will come up again. The object of the suit on the part of the city was to obtain a part of Alexandria and Fairfax counties.

The annexation suit was begun this morning at a special session of the Circuit Court at Alexandria county, with Judge B. T. Gordon, of Nelson county, presiding.

The session this morning was marked by preliminary skirmishing on the part of the attorneys for Alexandria and Fairfax counties, who made a motion that the proceedings be quashed on the ground that the service of papers on the members of the Board of Supervisors was irregular, inasmuch as the papers were served on the members of the board individually, and not on the board as a whole. This argument was made in the opening by Attorney J. A. Montague, former Governor of Virginia, who was followed by the others. A motion for a postponement was also made by Attorney John S. Barbour, representing Fairfax county, who added that Attorney C. Vernon Ford, Commonwealth's Attorney of Fairfax county, was unable to be present.

**Chamber Committee to Meet.**  
The Chamber of Commerce business enterprise committee met to-day at 1 o'clock in the office of the business manager. Besides taking up routine business the committee will discuss the establishment of several new industries in the city.

## NO INSTRUCTIONS GIVEN DELEGATES

Lively Convention Held by Democrats of Albemarle County.

[Special to The Times-Dispatch.]  
Charlottesville, Va., May 6.—The Democrats of Albemarle county held a lively convention to-day, and after voting, 24 to 21, against instructions, elected fifteen delegates to the Norfolk convention, as follows:

Delegate-at-large—Senator Thomas S. Martin. Other delegates—Samuel B. Woods, Charles E. Harris, L. C. Watts, J. W. Everett, H. E. Magruder, Dr. F. M. Dunn, G. W. Brown, J. Richard Winkfield, D. H. Pitts, Jackson Beal, W. H. Langstone, W. W. Bates, John W. Fishburne and John S. White.

At least six of the fifteen delegates named are avowed supporters of Wilson.

**No Instructions Asked.**  
[Special to The Times-Dispatch.]  
Wytheville, Va., May 6.—A mass-meeting of the Democrats of Wythe county was held to-day in the courthouse here today for the purpose of electing delegates and alternates to the State convention which meets in Norfolk. A motion was offered and carried that the five districts of the county retire and each report to the meeting delegates from their respective districts to be voted on the general meeting. The various districts then held separate meetings and reported the following delegates, being the number to which each district was entitled:

Wytheville district, Dr. S. R. Sawyer, J. Norman Powell, W. B. Cassell, M. L. Harrison; Black Lick district, J. T. Prickett; Speedwell district, S. S. Simmerman; Lead Mines district, J. F. Robinson, J. P. M. Simmerman; Fort Chiswell district, W. N. Morris, J. M. Graham.

There was no discussion of candidates for the primary, and no instructions asked. There are Harmon men, Wilson men and Clark, and possibly Underwood men in the delegation, but the delegates will go untrammelled, with the single view of giving their votes to the best and most available man. A resolution was carried directing the entire delegation to cast the vote of any district whose delegate or alternate should not attend.

**Opposition to Instructions.**  
[Special to The Times-Dispatch.]  
Roanoke, Va., May 6.—A mass-meeting of the Democrats of Franklin county was held to-day for the purpose of electing delegates to the Democratic State Convention, to be held at Norfolk. The meeting was presided over by County Chairman C. B. Willis.

Resolutions were adopted endorsing the course pursued by the Democrats in Congress in regard to the tariff and other vital questions, and also commending the services of Representatives Saunders and Senators Martin and Swanson.

The following delegates were elected to the State convention, with half a vote each: Gill's Creek—R. C. Shano, R. C. Foster, Rocky Mount—W. A. Belcher, P. H. Dillard; Long Branch—W. A. Thompson, C. C. Ingram; Blackwater—W. R. A. Barnhart, C. T. Jamison; Bonbrook—Tilden Mink, S. C. Kennett; Union Hall—James Ziegler, R. G. Bousman; Little Creek—J. L. Wrigginton, C. Jamison; Brown Hill—Ryland Code, R. H. Goode; Snow Creek—D. W. Ramsey, T. K. Tench, E. W. Saunders, D. A. Nicholson, D. A. Kinsey and C. B. Willis were elected delegates-at-large. A resolution was offered by Hon. William Powell instructing the delegates for Woodstock to support the primary. It was stubbornly opposed by Judge John P. Lee and Hon. E. W. Saunders, and after considerable discussion was voted down.

**Instructed for Wilson.**  
[Special to The Times-Dispatch.]  
Warsaw, Va., May 6.—The Democrats of Richmond county, in mass-meeting to-day, elected the following delegates to the Norfolk convention: W. A. Jones, J. W. Chinn, Dr. B. A. Middleton, Dr. H. L. Sagar, J. T. B. Lumpkin and J. S. Efferd. The delegates were instructed to vote for Wilson delegates to the Baltimore convention.

**Building Permits.**  
Building and repair permits were issued yesterday as follows:  
R. Francione, to repair a brick store, 516 East Broad Street, erecting a one-story addition in rear, to cost \$1200.  
A. J. Blanton, to repair a brick dwelling, 314 North Twenty-sixth Street, to cost \$175.  
C. Moody, to repair a frame dwelling, 19 East Sixteenth Street, to cost \$135.  
Mrs. Blanche V. Moles, to repair a frame dwelling, 212 West Twelfth Street, to cost \$150.  
John A. Turner, to erect two one-story detached frame dwellings on the west side of Stockton Street, between Sixteenth and Seventeenth Streets, to cost \$750.

### PERSONAL NOTE—

"I regard this as one of the most forceful and most reasonable tire arguments I have ever read, and I believe motorists generally will agree with me.—J. D. ANDERSON."

## If you own an auto by all means read this tire ad.

Tire-by Satisfied

Tire prices do not determine tire values. But actual tire value is the only thing that can determine actual tire cost.

First costs may be alluring (and they will influence a certain number of buyers) but experienced motorists know that last costs are the real costs, and that it is far safer to buy the greatest possible tire value than to take advantage of the lowest possible first cost.

The motorist who does not buy his tires on the service-cost basis is buying on the wrong basis—and his tire bills are the best proof of it.

United States Tires lay no claim to being the cheapest tires to buy. They are not.

Several other makes may claim this distinction,

## United States Tires are Predominant by virtue of four-fold strength

tion, but the manufacturers of United States Tires believe that a rapidly increasing number of tire buyers will elect to pay a trifle more for tires made as only these tires are made rather than pay a trifle less for tires made by the single-factory, single-value method.

It would be easily possible to build United States Tires by the customary method—the method formerly employed (a year and a half ago), in building the individual brands of United States Tires.

These individual brands—made as well as it was possible to make them with but one factory's experience and facilities to draw upon—easily competed in service-quality with any other tires in the world made in the same way.

That was under the single-factory method of building—the method still employed by the manufacturers of every other tire made except United States Tires.

Today United States Tires stand absolutely alone in the matter of combined skill in manufacturing.

They combine in one tire the strongest features of four world-famous brands, and are as near tire-perfect in strength, size and general design as four immense factory organizations, working as a unit, can make them.

In buying four-factory-tested United States Tires you are protecting yourself against excessive end-of-the-season tire bills as only tires of four-fold strength can protect you.

Made in Clincher, Dunlop (straight side) and Quick Detachable Styles.

## COLORED PEOPLE WANT HOSPITAL

Campaign for Funds Will Begin May 20—White Citizens Aid Movement.

A movement for the erection of a well-appointed hospital and training school for colored people in Richmond, which has the hearty endorsement and co-operation of State and city officials, is being formally set on foot in this city. The auxiliary of the Woman's Central League will open a campaign for funds in the business section of the city on May 20, and will continue the solicitation of contributions through May 25.

It is with the idea of providing a suitable memorial to the faithful colored servants of the old regime that such a movement was inaugurated, a memorial which will ever stand as a mark of recognition for duty faithfully performed and fidelity which stood the test. The campaign has already received the signed endorsement of the advisory board of the league, consisting of John L. Williams, Dr. E. N. Callach, Polk Miller, R. J. Reynolds, O. A. Hawkins, J. G. Corley and J. Stewart Bryan, and other business men of the city will be actively enlisted in the movement before the campaign is opened.

The sum needed to erect the hospital is estimated at \$32,000, and the workers will make this mark their goal in the subscription campaign about to be set on foot. With this amount, the backers of the movement believe it will be possible to erect in the colored section of Richmond a modern hospital,

with a charity ward attached, which will supply a very long-felt want among the colored population of this city.

Campaign headquarters will be opened downtown later on, but for the present meetings of workers are being held at the office of Dr. R. E. Jones, 325 North Second Street, and at W. L. Johnson's, 10 West Leigh Street. The campaign will last an entire week, beginning May 20, and on the last day, the "Tag Day" scheme will again be operated. For those who wish to make substantial contributions, provision will be made for the endowment of rooms or beds in the new hospital.

The colored people of Richmond are thoroughly aroused to the worth of the idea, and will not only give cheerfully of their own means towards the success of the campaign, but will endeavor to aid in the raising of funds among the business men.

### NEW COMPANY FORMED

Strasburg Enters Field With Good Military Organization.

The recently organized company of Virginia Volunteers at Strasburg, to be known as Company K, Second Infantry Regiment,

has elected officers and made the following report to the Adjutant-General: Douglas M. Borum, captain; Joseph B. McCoy, first lieutenant; Leslie Fletcher, second lieutenant. These officers are allowed sixty days in which to prepare themselves for examination by the military board.
